Circular No. 480

DGFT Launches “LabSetu” — Paperless Certification Platform

Export Promotion Council for EOUs & SEZs (EPCES)

Dear Member,

Vide **Trade Notice No. 14/2025-26** dated **27.10.2025** (copy attached), DGFT has launched a digital platform, **LabSetu**, at <https://www.trade.gov.in/pages/labsetu>, with effect from **11.11.2025**, on a pilot basis for **paperless certification** for export and import of commodities. The platform integrates testing and inspection agencies across the country under a single window. Detailed instructions are provided in the Trade Notice.

During the pilot phase, exporters and importers may continue to obtain test reports through the existing processes, in parallel with the **LabSetu** system, to ensure a smooth transition and feedback-based refinement of the online system.

Members may take necessary action accordingly.

Regards,
EPCES
