DGFT Amends Eligibility Criteria for “Source from India” Platform

Export Promotion Council for EOUs & SEZs (EPCES)

Dear Members,

As you are aware, member exporters can create their own profiles on “**Source from India**” (<https://www.trade.gov.in/pages/source-from-india>), a flagship feature on the **Trade Connect e-Platform**. This platform serves as a one-stop reference point for international buyers to discover and connect with accomplished Indian exporters.

To enable more accomplished Indian exporters to create their profiles on the “**Source from India**” facility of Trade Connect, the **Department of Commerce / DGFT**, vide **Trade Notice No. 15/2025-26 dated 29.10.2025** (copy attached), has decided to **amend the eligibility criteria** for exporters availing this facility.

With effect from **1st November 2025**, all valid **IECs** (IECs that are not in the **Denied Entity List**) fulfilling a **minimum export realisation of USD 100,000** in at least one of the previous three financial years at the time of application will now be eligible to create their microsites on **Source from India**, in addition to **Status Holders**. Detailed guidelines are available in the Trade Notice.

Eligible members are encouraged to make use of this facility to market their products to international buyers.

Regards,
EPCES
