Dear Sir,

Our EOUs (Aromatic Ingredients private Limited) coming under Cochin Export Processing Zone has filed our application for new DTA sales permission with DC, Cochin Export Processing Zone, Cochin. However we understand from CEPZ officials that all DTA permissions applications are on hold since the para 1 (d) to Appendix 6G (The DTA sales entitlement shall be availed of within three years of the accrual of entitlement) has been omitted in the new Appendix 6G in the new policy.

Since non availability of DTA sale permission is affecting some of our Joint/CO products sales, can we explore the possibility of taking this with ministry through our EPCES

APPENDIX-6G old and new are attached for your reference.

Dear Sir

Please refer to the email below from our member EOU AromaticIngredients Private Limited located in the CSEZ jurisdiction.

They stated that they filed application for new DTA sales permission with the DC, Cochin Export Processing Zone, Cochin.

However, it appears that all DTA permission applications have been put on hold because paragraph 1(d) of Appendix 6G ("The DTA sales entitlement shall be availed of within three years of the accrual of entitlement") has been omitted in the new Appendix 6G in the new policy.

(APPENDIX-6G old and new attached)

Non availability of DTA sale permission is affecting sales of their products,

This may please be examined and resolved urgently.

Regards
